THE PROGRESSIVE CHANGE CAMPAIGN COMMITTEE ENDORSES MONDAIRE JONES FOR CONGRESS

Grassroots, progressive organization backs progressive activist and attorney Mondaire Jones for Congress in NY-17

SLEEPY HOLLOW, NY — The Progressive Change Campaign Committee, a million-member grassroots organization, today endorsed NY-17 Democratic Congressional Candidate Mondaire Jones, citing his personal connection to the district and his progressive leadership in their endorsement. Their endorsement comes just days after Jones was endorsed by Senator Elizabeth Warren.

"Mondaire Jones was born and raised in his district, and understands how hard it is for working families in America to get by today," said **PCCC co-founder Stephanie Taylor**. "We need his progressive leadership in Congress, fighting for Medicare for All and a Green New Deal. We're proud to endorse him."

"I'm so proud to be endorsed by the Progressive Change Campaign Committee today, an organization that not only shares my progressive ideals, but also actively fights for them," said **NY-17 Congressional candidate Mondaire Jones**. "As the only progressive in my race, I've centered my campaign around big, bold solutions — such as a Green New Deal, Medicare for All, student debt forgiveness, and criminal justice reform — that are crucial to address the country's most urgent and intractable problems. I'm honored that the Progressive Change Campaign Committee has recognized my campaign and I'm excited to work with them to enact the progressive reforms that are long overdue."

Mondaire Jones has also been endorsed by Senator Elizabeth Warren, New York Communities for Change, Democracy for America, The LGBT Victory Fund, and The Collective PAC. He recently announced that his campaign raised over \$488,000 in 2019. Unlike many of his opponents, Jones is not accepting corporate PAC money in his campaign and has also signed the No Fossil Fuel Pledge. When elected, Mondaire will make U.S. history as the first openly gay, black member of Congress.
